

Datasheets

Levelling kit, models 6-1/1, 10-1/1

Article number

60.74.795

Description

The levelling kit enables the continuous levelling of a tabletop unit or Combi-duo, due to height differences in the floor and table setup of 20 mm.

The gasket ensures a hygienic seal, even when installed on tiles.

Intended use

This product is only intended for commercial use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. Any other use runs counter to its intended purpose, and could be dangerous.
